This agreement will not be considered binding unless ALCC receives the full payment at the time of signing this agreement. Payment must be by check or money order payable to: "American Lebanese Cultural Center".

If this agreement is not signed by the Vendor and full payment received within two business days of award notification to the Vendor, ALCC, at its discretion can rescind the award and pass on to another vendor.

5. **City of Sugar Land Department of Health Requirements**

Vendors must complete a City of Sugar Land Temporary Food Permit application and submit a copy of their Certified Food Manager or Food Handler certificates. All permits and certificates are to be returned to the ALCC for further processing.

The ALCC will apply, and pay for, a Food Consumption Permit from the City of Sugar Land. All Food Vendors will fall under such permit. Food Vendors shall be required to comply with applicable permit requirements. Further action may be required from each vendor concerning such addition to ALCC permit at Vendor's expense.

6. **City of Sugar Land Fire Department**

Vendor agrees to comply with all the rules and regulation of the City of Sugar Land and the Sugar Land Fire Department.

7. **Texas Sales and Use Tax Permit**

Vendor shall have a valid Sales and Use Tax Permit issued by the State of Texas and is responsible for reporting and paying all sales taxes collected during the festival. All food and beverage prices must be inclusive of sales tax if applicable. No additional taxes shall be passed on to the customers during the festival activities.

Vendor shall submit a copy of his sale tax permit along with the certificate of insurance, one week after this agreement is accepted and approved by ALCC Representative.

8. Pricing

All food item prices must be reasonable and approved by the ALCC Festival Management.

9. Food/Beverage Items Exclusion

The following food/beverage items are **excluded** from being sold by any vendor during the festival activities. ALCC Festival Management has the right to ask vendor to remove any food item not listed on the approved food/beverage list.

These items are NOT allowed to be sold or given away by Food Vendors

- a) Soft drinks of all kinds:
- b) Bottled water,
- c) Canned or bottled juice,
- d) Hot/cold Coffee and tea
- e) Any coffee or tea-based drinks.
- f) Alcoholic beverages of all kinds
- g) Sweets of all kinds unless otherwise agreed by festival management within this agreement and listed on the approved itemized food list.
- h) Snacks and candy
- i) Fruits (apple, banana, Orange, dates, figs, grapes, etc.)

Vendors must pay for their own ice bags. \$5/bag (40 lbs. bag) and will be stacked in a designated freezer for their use. Vendor will be responsible for logging how many bags they pull from the freezer (on an honor system).

10. Propane Requirements

Vendors may use Propane or Electrical power to cook. When using Propane the following steps shall be strictly adhered to:

- Propane Gas bottles shall be placed in a secure and fenced area provided by the ALCC, behind each vendor tent.
- Propane bottles shall always be setup in vertical position and each bottle shall be at least 10' away from any open flame
- Propane bottle(s) setup shall be the responsibility of the vendors. Those vendors shall use propane gas only after the Safety Officer's inspection and approval.
- Propane Gas monitors shall be placed in the restricted Propane Gas area. Also, vendors using propane gas shall have a functioning Propane Gas Monitor in their area of operation.

The ALCC will assign a Safety Officer to manage and monitor all propane tank activities. The Safety Officer will be responsible for implementation of all safety measures; provide safety orientation to personnel and volunteers based on their duties and responsibilities; and conduct safety Audits and inspections.

All food Vendors employees will be provided orientation and training by the Safety Officer in dealing with emergencies, especially fire emergencies.

11. Electrical Requirements

Vendor must identify the voltage and rated power (amperes) requirements of all electrical equipment he intends to use at the festival. Voltage and amperage of each equipment shall be taken from the manufacturer tag attached to the equipment, and not to be guessed. Vendor shall list the voltage and amperage of each equipment in the table provided in subsequent sections.

The above is essential for the festival management to calculate the total amperage required to successfully run the entire festival with no interruption and to provide proper circuit breakers and voltage outlets at each booth.

If Vendor requires a special voltage other than the standard 110/220 volts, the Festival Management will determine if can be accommodated, otherwise vendor will be requested to substitute such equipment to another utilizing the available voltages.
